

Campus Facilities

1. **Yanghyenwon:** It is a dormitory for male students which is located right in front of the beautiful pine tree mountain. It has well furnished guest rooms. It is a european inspired building symmetrically designed with wide lobbies and comfortable facilities such as cafeteria (Edelweiss), store, indoor gym, table tennis room, laundry area, multi purpose rooms, wide TV lounges for each floor, ATM machines, vending machines, and more. The lobbies are well known as wonderful observatory of the beautiful rocky Seolak mountain and the blue Donghae sea.
2. **Seondeok Gym:** This building brings an active and energetic spirit for the KDU community. It is a 300-seat indoor stadium with various purpose rooms such as sports clubs, individual students, and faculty members. Currently, various sports activities are held such as basketball, volleyball, badminton, cultural performance, and more.
3. **Sungreywon:** It is located very close to classroom buildings and school facilities for the convenience of female students. It is an open style building with 180 rooms for 720 students. All indoor facilities were made for the convenience of the students and to provide them a homelike environment.
4. **School Yard:** This place is made of neat and comfortable artificial turf ground which is evergreen all year round. The turf ground is always ready for any purpose it maybe. There is a basketball ground, tennis ground, and a wide track.
5. **Sinwekwon:** There are main auditorium, an international conference room, teaching-learning support center, classrooms, seminar rooms, satellite classrooms, smart-board lecture rooms, electronic bulletin board lecture rooms, laboratories, meeting rooms, professor offices, and club rooms for students.
6. **Woodang Library:** A magnificent European style Woodang Library opens in 2010 and became an outstanding landmark of the community for it's beautiful figure and good facilities. There are 150,000 books. It is fully equipped with reading and studying facilities. It has study rooms, seminar rooms, learning centers, counseling room, help desks, and lounge areas with vending machines. You can enjoy not only the wide and comfortable indoor facilities for study but also the beautiful ocean view.
7. **Seondeokkwan:** Seondeokkwan has lecture room for international students. It is a multi-purpose building with various rooms such as auditorium, smart board classroom, electronic board lecture room, lecture theatre, classrooms, professor's offices, department offices, and laboratories.
8. **Munwhakwan:** It is a supporting building for students' extra curricular activities. There are numerous rooms such as academic-industrial cooperation center, vocational center, lifelong education center, international cooperation center, editorial office, venture training center, club rooms and deep ocean water exhibit hall.
