

PART-TIME JOB ASSISTANCE MATERIALS

- The international Office at KDU global helps students to obtain a part-time job so they can finance their studies and life in South Korea. But in case of delays due to the large number of students. A student can also search for jobs by using the following apps,
 - i. Albamon (알바몬): available both in web and as mobile app
 - ii. Albachunkuk (알바천국): Available both in web and as a mobile app
 - iii. Karrot (당근): Mainly used to buy used products but has a part time job section as well. Available as a mobile application
- Note:
 - Since the apps are in Korean, a translation service like google translate extension for PC or Papago application for mobile may be needed.
 - A working phone number is also needed for communication
 - For more information on required documents and part time job eligibility you can visit the international office
